"We are excited to be launching serviced offices at Lynch Wood Park. This is a fantastic workplace and unlike anything else in Peterborough, you will love what we have to offer, internally our building is amazing, through to our beautiful gardens where staff get to enjoy quiet time or sit and work outdoors."

"Our priority at Lynch Wood Park is creating a great working environment, we offer something different from the usual serviced offices and provide that social aspect too. As a business, all your needs are met and your staff are valued."
